We aspire to be a welcoming congregational family that supports and celebrates each other through the following:

Encouraging and inspiring one another to deepen our commitment to Judaism and to transmit our Jewish values to the next generation.

Engaging members in meaningful progressive and inclusive Jewish worship experiences.

Advocating for religious pluralism and the rights of Reform Jews worldwide.

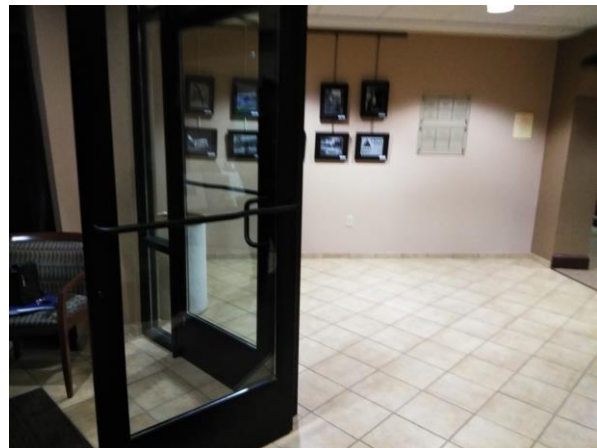

Providing diverse programming and educational opportunities that create excitement and interest in Judaism at ALL life's stages.

Leading and inspiring the greater Wilmington, DE community through tzedakah (justice), tikkun olam (repairing the world), and Jewish learning.

THE SPECS:

-There is no fee to exhibit and no percentage of sales taken, although a donation in case of a sale is appropriate and appreciated.

-The work stays up for approx. 1 month. Art goes up, usually, the Monday through Thursday of the first week of the month and coming down on the Sunday as close to the end/beginning of the month as possible. This is arranged in consultation with the Gallery Director. The Gallery uses the Walker System. <http://www.walkerdisplay.com> There are 5 poles and 10 sliders, and approximately 10 horizontal feet of display space.

The Gallery is at the entrance to the building and is seen by hundreds and sometimes thousands of people in the course of a month. Since this is a house of worship, the material must be appropriate for all ages. This is not the venue to be sexually provocative or graphically violent. As Gallery Director, I reserve the right to reject any piece that is not appropriate. If you have any questions about whether your work is appropriate, I am available for discussion.
